

Join us for Benefits Access Screening!

What is Benefits Access Screening?

Through the Service Access Information Link (SAIL) , families can apply for benefits such as food stamps, cash assistance and medical assistance. SAIL is an online application that has been designed for you. It is easy to navigate and user friendly. The entire application process can be done at home, at your local school, or at your public library.

We want to show you just how easy it is to use SAIL by guiding you through screening to see if you qualify for benefits. If you qualify we can help you complete your application on-site.

Bring with you:

- ⇒ Social Security cards
- ⇒ Health Insurance information
- ⇒ Recent paystub
- ⇒ Daycare information
- ⇒ Recent BGE bill
- ⇒ Other utility bills (phone, ground tax, etc.)
